## Chairperson Message

मानव जीवन को विकसित करने के लिए शिक्षा एक ऐसा माध्यम है, जिसके द्वारा यह देश अपने हजारों साल की संस्कृति को संजोकर एवं भविष्य में दुनिया के विकसित देशों के व्यक्तियों के साथ कदम से कदम मिलाकर चल सकेगा।

21वीं शताब्दी में मानव, विज्ञान एवं प्रौद्योगिकी द्वारा, ऐसी क्रांति लायेंगे जो कल्पना से परे होगा और मानव का दायरा इस संसार तक ही सीमित न रह कर बाह्य जगत से जुड़ेगा।

इंडियन ग्रुप का यह निश्चय है कि हम अपने विद्यार्थियों को उत्कर्ष शिक्षा प्रदान करें, जो उन्हें आर्थिक रूप से सक्षम एवं स्वावलम्बी भारतीय नागरिक के रूप में सुसज्जित करें व संस्थान ऐसे हो जो उत्तम शैक्षणिक आधारभूत संरचना और सर्वश्रेष्ठ संकाय के द्वारा छात्रों के ज्ञानोपार्जन के साथ अनुशासन व चरित्र निर्माण में सहयोग प्रदान करें एवं अध्यापकगण छात्र एवं छात्राये इस शताब्दी के महायज्ञ में कदम से कदम मिलाकर बढ़े और अपने देश को अपने समय में ही विकसित देश के रूप में देखें।

मेरी शुभकामनायें।

सस्नेह

# INDIAN College of Nursing Science

Recognized by INC/RNC, Affiliated to RUHS, Jaipur Mob.- 9314073158, 9414073158

Bachelor of Science in Nursing or B.Sc Nursing is a 4-year undergraduate course. The minimum eligibility criterion for pursuing this course is the successful completion of 10+2 level of education in Physics, Chemistry, and Biology. B.Sc Nursing admission is based on entrance exams by RUHS.

The objective of the B.Sc. Nursing is to demonstrate competency in the knowledge and skills in providing comprehensive nursing care based on the problem-solving approach in the hospital and community. B.Sc Nursing career options include employment in areas like hospitals, nursing homes, clinics and health departments, railways and defense, etc.

## B.Sc. NURSING: WHAT IS IT ABOUT?

B.Sc Nursing course is broadly based on education within an academic framework specially directed to the development of critical thinking skills, competence and standards required for the practice of professional nursing and midwifery as envisaged in National Health Policy, 2002. Since it involves nursing of the wounded or ill, a lot of sectors require these graduates hence increasing its demand which is only expected to increase in the future as well. In India, the course is registered under and is controlled by Indian Nursing Council.

## B.Sc. NURSING COURSE HIGHLIGHTS

**Course Level** : Graduation

**Duration** : 4 Years

**Eligibility** : 10+2 Biology

**Age** : Minimum 17 year

### Top Recruiting Areas :

Defense Services, College, Nursing Schools, Hospitals, Health Dept. etc...

# INDIAN INSTITUTE OF PARAMEDICAL SCIENCE

Recognized by Rajasthan State Allied & HealthCare Council Mob.- 9314073158, 9414073158

Diploma in Medical Laboratory Technology (DMLT) is a 2-year diploma course pursued after the successful completion of the 10+2 with science level of education. This medical course involves advanced professional learning in:

- Prevention • Diagnosis • Treatment of diseases in patients through clinical laboratory tests.

**Major components of study that form part of the DMLT Syllabus are:**

- Analysis of body matter such as body fluids, tissue, and blood
- Micro-organism screening
- Chemical analysis
- Cell count procedures that are used to detect certain diseases in patients

**Such postgraduates of DMLT are actively involved in the following procedures:**

- Blood banking • Clinical Chemistry (chemical analysis of body fluids) • Hematology (blood-related)
- Immunology (the study of the immune system) • Microbiology (the study of bacteria and other disease-carrying organisms) • Cytotechnology (the study of human tissue) • Phlebotomy • Urine analysis
- Coagulation • Parasitology • Blood Sample Matching • Drug Efficacy Tests • Serology.

## DMLT : What is it about?

DMLT course is an allied health/paramedical course that is concerned with the diagnosis, treatment, and prevention of diseases through clinical laboratory tests. Lab Technologists are needed by doctors to help analyze results for treating diseases that they specialize in. The program covers preclinical subjects such as:

## DMLT : COURSE Highlights

**Course Level : Diploma**

**Duration : 2 Years**

**Ayushmaan College of Paramedical Science**  
(Recognized by Rajasthan State Allied and Health Care Council, Jaipur) Mob.- 9314073158, 9414073158

# DMLT

## Diploma in Medical Laboratory Technology

**Focus: Laboratory testing, pathology, microbiology, and diagnostic techniques.**

Diploma in Medical Laboratory Technology (DMLT) is a 2-year diploma course pursued after the successful completion of the 10+2 level of education. This medical course involves advanced professional learning in: - Prevention, Diagnosis and Treatment of diseases in patients through clinical laboratory tests.

**Careers :** Lab Technician, Pathology Assistant, Hospital & Diagnostic Center Roles

**Duration :** 2 Years

**Eligibility :** 10+2 (Science – PCB/PCM preferred) with 50 %

**Further Studies:** B.Sc. in MLT, Advanced Lab Technology Certifications

# DRT

## (Diploma in Radiation Technology)

**Focus: Medical imaging techniques like X-ray, CT scan, MRI, and ultrasound.**

Students enrolled in this diploma gain comprehensive knowledge and practical skills in various imaging techniques such as x-ray tech diploma, ultrasound, computed tomography (CT), magnetic resonance imaging (MRI), and more.

**Careers :** Radiology Technician, X-ray Technician, MRI/CT Scan Operator, Hospital & Diagnostic Center Roles

**Duration :** 2 Years

**Eligibility :** 10+2 (Science–PCB/PCM)

**Further Studies:** Further Studies: B.Sc. in Radiology, Advanced Imaging Certifications

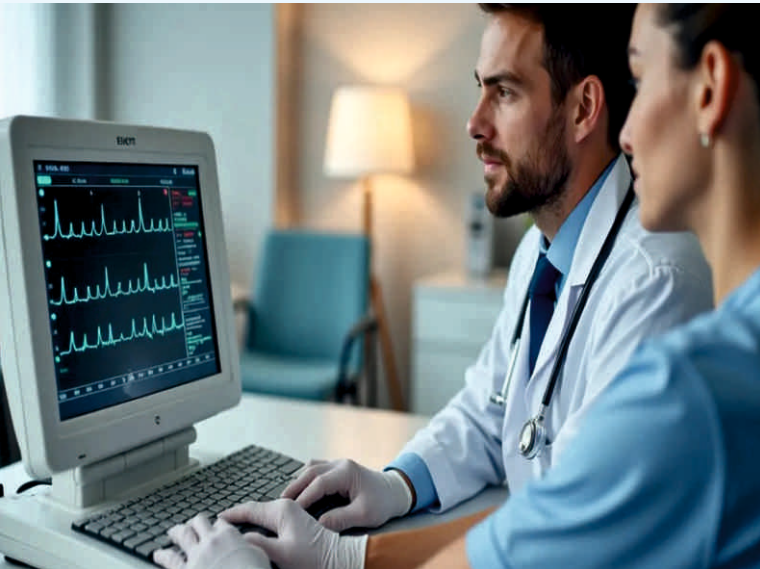

## DECGT

### (Diploma in ECG Technology)

**Focus: ECG machine operation, cardiac monitoring, and diagnosis of heart conditions.**

ECG technician course is a diploma course in which the technicians monitor and test a patient's cardiovascular performance using ECG equipment, this test is known as Electrocardiography.

**Careers :** ECG Technician, Cardiology Assistant, Hospital & Diagnostic Center Roles

**Duration :** 2 years

**Eligibility :** 10+2 (Science – PCB/PCM preferred)

**Further Studies:** B.Sc. in Cardiac Technology, Advanced Certifications in Cardiology

## DOTT

### **Diploma in Operation Theatre Technology**

**Focus: Surgical procedures, anesthesia techniques, and operation theatre management.**

A Diploma in Operation Theatre Technology (DOTT) is a 2-year program that trains individuals to assist medical professionals in the operating room, intensive care units, and emergency departments, ensuring the efficient and safe management of the operating theatre environment.

**Careers :** OT Technician, Surgical Assistant, Hospital & Emergency Care Roles

**Duration :** 2 Years

**Eligibility :** 10+2 (Science – PCB/PCM preferred)

**Further Studies:** B.Sc. in OT Technology, Advanced Surgical Certifications

# Ayushmaan College of Nursing

Recognized by State Govt. of Raj. & Rajasthan Ayurved Nursing Council, Jaipur and Affiliated to Dr. Sarvepalli Radhakrishnan Rajasthan Ayurved University, Jodhpur Mob.- 9314073158, 9414073158

## B.Sc. Ayurved Nursing

**Focus: Ayurvedic nursing, Panchakarma therapy, herbal medicine, patient care, and hospital management.**

A B.Sc. in Ayurved Nursing is a 4 year program combining traditional nursing education with the principles of Ayurveda, encompassing anatomy, physiology, pharmacology, and Ayurvedic treatments, herbal medicines, diet, and lifestyle.

**Careers** : Ayurvedic Nurse, Panchakarma Therapist, Hospital Administrator, Research Assistant

**Duration** : 4 Years

**Eligibility** : 10+2 (Any Stream)

**Further Studies:** M.Sc. Ayurved Nursing, PG in Panchakarma & Ayurvedic Medicine

## Ayushmaan College of Nursing

Recognized by State Govt. of Raj. & Rajasthan Ayurved Nursing Council, Jaipur

## DAN&P

**(Diploma in Ayush Nursing & Pharmacy)**

**Focus: Training in Ayurvedic nursing, patient care, herbal medicines, and pharmacy management.**

A Diploma in Ayurveda Nursing and Pharmacy (DAN&P) is a 2.5-year program (including a 6-month internship) that integrates traditional Ayurvedic healthcare principles with modern nursing and pharmacy techniques, preparing students for roles in Ayurvedic healthcare.

**Careers** : Ayurvedic Nurse, Panchakarma Therapist, Ayurvedic Pharmacist, Clinic & Hospital Roles

**Duration** : 2.5 Years

**Eligibility** : 10+2 (Any Stream)

**Further Studies:** Bachelor's in Ayurvedic Medicine, Nursing, or Pharmacy

## M.Ed.SE-HI

### (Master of Education–Special Education: Hearing Impairment)

2-year RCI-approved program for advanced training in special education, speech therapy, and assistive technology for hearing-impaired students.

The aim of the M.Ed.Spl.Ed. programme is of preparing teachers as education leaders. The major thrust of the M.Ed.Spl.Ed. programme would be professional preparation of teacher educators who would through this process be equipped with the knowledge and competencies to facilitate and conduct initial preparation and continuing professional development of teachers in the area of communication disorders.

**Careers :** Govt./NGO Senior Special Educator, Lecturer, Researcher, Consultant

**Duration :** 2 Years

**Eligibility** : B.Ed.SE-HI or equivalent and  
RCI Registration with 50%

**Further Studies:** Ph.D. in Special Education

## B.Ed.SE-HI & B.Ed.SE-ID

■ **B.Ed.SE-HI (Hearing Impairment)** – 2-year RCI-approved degree for teaching students with hearing loss using sign language, speech therapy, and assistive technology.

■ **B.Ed.SE-ID (Intellectual Disability)** – 2-year degree for educating students with ID, Autism, CP, and Multiple Disabilities, focusing on behavior management and inclusive education.

**Careers :** Govt/Private Special Educator, Therapist, Teacher

**Duration :** 2 Years

**Eligibility** : Graduation in Arts or Science with 50 %

**Further Studies:** M.Ed. Special Education, Therapy & Psychology

## D.Ed.SE-HI

■ **D.Ed.SE-HI (Hearing Impairment):** 2-year RCI-approved diploma for teaching children with hearing loss. Covers sign language, speech therapy, and assistive devices.

D.Ed.SE-HI, which stands for Diploma in Special Education (Hearing & Speech disabilities), is a program focused on educating individuals with hearing and speech impairments, aiming to develop understanding of disabilities, implement appropriate educational interventions, and promote inclusive education practices

**Careers:** Special Educator (HI), Speech Trainer in Govt. & NGO Programs.

**Duration :** 2 Years

**Eligibility :** 10+2 (Higher Secondary) with 50%

## D.Ed.SE-IDD

■ **D.Ed.SE-IDD (Intellectual & Developmental Disabilities):** 2-year diploma for educating children with ID, Autism, CP, & Multiple Disabilities. Focuses on special teaching strategies, behavioral support, and rehabilitation.

D.Ed.SE-IDD (Diploma in Education - Special Education, Intellectual and Developmental Disabilities) is a program that prepares special educators to work with children having intellectual and developmental disabilities, including intellectual disabilities, specific learning disabilities, and autism spectrum disorders.

**Careers :** Govt. & NGO Special Educator (IDD), Therapist Assistant,

**Duration :** 2 Years

**Eligibility :** 10+2 (Higher Secondary) with 50%

**Further Studies:** B.Ed./M.Ed. Special Education, Therapy & Psychology Courses
